Financial Assistance Application

As God's Instrument, it is the heart of Grace Chapel to help those in need. At the same time, please understand that we have a responsibility to be wise with the money God has given us. This application does not guarantee that we will provide the help you request; it does, however, help us determine your level of need and how we may be able to assist you. We do want to make you aware that due to the steps involved in this process our response could take up to two or three weeks.

If you do not have a phone or address how might we be able to contact you?

Explain your current financial situation and need for assistance:

To help us determine your financial needs and assets we ask that you provide us with the following specific information.

What sources of income do you have?

Is anyone in your household employed, and if so can you provide a W2 (or pay stub) verifying your income? If you cannot provide this please explain your circumstances that prevent you from doing so.

How many people live in your household who are supported by the listed income? How many would you list as a dependent on your taxes and what are their ages?

Do you have other sources of income? (state assistance, support from relatives/friends, other churches, etc.)

What assets do you currently have available to you (cash on hand, checking, savings, stocks, cars, home, or any other significant asset)?

Are you currently attending a church and if so which one? Is there anyone from the church that we can contact as a personal reference?

How did you hear about Grace Chapel?
